Name: ______________________________________ Date of Birth: ____/____/____

Telephone numbers: (home) _________________; (cell) _______________________

Address ____

Email: ____

Complete at least **ONE** option from **Step 1** and **Step 2** and complete **Step 3**

Step 1: Choose a health care agent.

CHOOSE **ONE** OR **TWO** BOXES

☐ I choose __________________________; Relationship__________________________
(phone number - - and/or email__________________________) as my primary health care agent to speak for me in making health care decisions if I become unable to speak for myself.

☐ I choose __________________________ ; Relationship______________________________
(phone number - - and/or email__________________________________) as my secondary health care agent who can speak for me in making health care decisions if I become unable to speak for myself and my primary health care agent is unable to serve.

Step 2: Providing guidance to my health care agent and doctors about end-of-life decisions.
If a time comes when I am facing a serious illness that cannot be cured and facing end-of-life decisions, please consider my preferences described below:

CHOOSE **ONE** BOX ONLY

☐ I want treatments to have my life sustained as long as possible. I would accept support of my breathing, heart and kidney function by machines that require me to be in a hospital or special care unit and I would want this for as long as my life could be prolonged within the limits of acceptable health care standards.

☐ I want treatments to sustain my life only if I will:
- ☐ be able to communicate with friends and family
- ☐ be able to live without severe pain and suffering
- ☐ be conscious and aware of my surroundings
- ☐ be able to care for myself (feed, bathe, toilet and dress without help)

☐ I only want treatments directed towards my comfort and to die naturally

☐ I am not sure at this time, I trust my health care agent to do what is best for me.

Is there anything your doctors should know about you to provide you with the best care possible?

Instructions for Step 1: Appointing a health care agent.

Name someone you trust to make health care choices for you if you are unable to make your own decisions. Provide name and contact information for this person, along with one additional individual

Choose a family member or friend who:

- Is 18 or older and knows you well
- Is willing to do this for you
- Is able to make difficult decisions based on your wishes
- Will effectively communicate the information you provide in this packet to health

Your representative cannot be your doctor or someone who works at the hospital or clinic where you are receiving care unless he or she is a member of your family.

Your health care representative can:

- Decide where you will receive care
- Select or dismiss health care providers
- Say yes/no to medications, tests, treatments
- Take legal action to carry out your wishes

Your health care representative CANNOT authorize:

- Psycho-surgery
- Sterilization
- Abortion
- Removal of organs

except where the above procedures are necessary to preserve the life of the patient or to prevent serious impairment to the patient's health

Instructions for Step 2: Information for my health care agent & doctors in making decisions for my care.

Indicate your health care wishes

1. Select one of the choices to provide guidance concerning life support treatments. Below is some information about some life support treatments that may or may not be successful in helping you live longer.

   CPR or cardiopulmonary resuscitation: This may involve (1) Pressing hard on your chest to keep your blood pumping, (2) Electrical shocks to jump-start your heart, (3) Medicines in your veins.

   Ask your health care providers for more information as needed.
